CD3 SYSTEMS

Free boater education web-based platform to share with boaters

CD3 offers a free web-based, digital platform to educate boaters and recreationalists with step-by-step instructions to clean, drain, dry and proper bait disposal called Check-In Check-Out or CICO for short. Simply place the QR code at a visible location at your boat launch or marinas. Email ohiocleanmarinas@osu.edu to get access to the QR code and sign.
