

## THE SUSTAINABLE SMALL HARBORS PROJECT: HELPING COASTAL COMMUNITIES RE-IMAGINE THEIR WATERFRONT

Monday, May 8, 2017, at 2 p.m. EDT

This webinar will provide an overview of the Sustainable Small Harbors project, an initiative to boost the long-term well-being of Michigan's coastal communities. All people involved in coastal communities, both in and outside of Michigan, are invited to participate.

The 90-minute webinar will cover:

- Project overview
- Major findings and outcomes
- Future directions
- *Sustainable Small Harbors Tools and Tactics Guidebook*
- Testimonials by representatives from New Baltimore and Ontonagon
- Open Q&A session

**“This effort empowers communities to overcome the burdens of their historic legacies.**

**The process engaged community members in constructive conversations to create a shared vision.”**

— Jon Allan, Director,  
Michigan Department of Environmental  
Quality's Office of the Great Lakes
