

LEGEND

- Natural Areas
- Parks
- Educational/Cultural
- Multi-Unit Residential
- Undefined Residential Type
- Commercial/Retail/Business
- Mixed Use

Disclaimer: This map represents a work in progress based on a series of focus groups, technical meetings, and a three-day community visioning charrette held in Benton Harbor in 2018. The map is based on the input of 100's of key stakeholders and citizens but should not be viewed as the final harbor/waterfront plan for the Twin Cities Sustainable Harbor Project. Community feedback is still being solicited and the preferred alternative is scheduled to be released in mid 2019.

REVISION HISTORY	
11 October 2018	Initial Version
January 2019	Version 2
